MR MONTE ENGELBRECHT

President

Griqualand West Rugby Union

via email

Dear Mr Engelbrecht

It gives me great pleasure to congratulate The Windhoek Draft Griquas on their historic qualification for the 2022 Currie Cup Final. One hundred and thirty years after the inaugural Currie Cup was played in Kimberley in 1892, the competition finale is back on home turf thanks to the valiant efforts of this impressive rugby team.

It is our fervent hope that they will hold the Currie Cup aloft as the victors on Saturday, 25 June 2022, just as they did in 1970 against Northern Transvaal here in Kimberley. We trust that the team will emulate the spirited display that the Griquas squad of 1891 showed against the British Lions, when they were handed the golden trophy.

The Sol Plaatje University staff and students are excited to support the Poubloues in their quest for victory. We too will be wearing our heart on our sleeves.

Sport is the great unifier of this nation so your win will be a great boost for all of us in the Northern Cape. We are behind the team 100%.

Go Griquas!

Yours sincerely

PROFESSOR ANDREW M CROUCH

Vice-Chancellor and Principal
